Address 2525 Dupont Drive, Irvine, CA 92612, U.S.A. Telephone 714.246.4500 Website www.allergan.com

Dear Allergan Customer:

Following is a list of Allergan products for which Safety Data Sheets (SDS) are not required. Hazard determination classification as specified by US (OSHA 29 CFR, Part 1910.1200) and EU (REACH EC 1907/2006, CLP EC 1272/2008) regulations were performed, and it was concluded that these products are not hazardous as defined, and/or do not require a SDS. In addition, we believe that all safety concerns regarding our products are described on the package inserts that accompany them.

Please note that Allergan product material safety data sheets are now available on Allergan's website, www.allergan.com. When needed, you may access the SDS for each Allergan product, where applicable, on our website.

Sincerely,

Sulaiman Hamidi
Manager, Health & Safety
